What makes a marriage-love or compatibility? Passion or pragmatism? Shobhan Bantwal's compelling new novel explores the fascinating subject of arranged marriage, as a young Indian-American woman navigates the gulf between desire and tradition. . . . To Soorya Giri, arranged marriages have always seemed absurd. But while her career as an environmental lawyer has flourished, Soorya is still a virgin, living with her parents in suburban New Jersey. She wants to be married. And she is finally ready to do the unthinkable. . . . Soorya's first bridal viewings are as awkward as she anticipated. But then she's introduced to Roger Vadepalli. Self-possessed, intelligent, and charming, Roger is clearly interested in marriage and seems eager to clinch the deal. Attracted to him in spite of her mistrust, Soorya is also drawn into a flirtation with Lou, a widowed colleague who is far from her family's idea of an acceptable husband. In choosing between two very different men, Soorya must reconcile her burgeoning independence and her conservative background. And she must decide what matters most to her-not just in a husband, but in a family, a culture, and a life. . . . "One of the best [novels] I've read this year. I couldn't put it down. . . .this book is a gem!" --Mary Monroe, New York Times bestselling author on The Unexpected Son "Compelling and memorable." --Mary Jo Putney, New York Times bestselling author on The Forbidden Daughter "Vivid, rich. . . .expertly portrays a young woman caught between love and duty, hope and despair." --Anjali Banerjee on The Dowry Bride "Dazzles you with a taste of Desi culture in America." --Candida Fimeiro

How do you become a Registered Tax Return Preparer (RTRP)? You do not need an advanced degree, or even a college education; however, it does require some work. First, you must prepare for the IRS competency exam. The IRS has two separate tests that you can take depending on the type of returns you will file. This course covers both tests and provides FREE access to an online test bank for you to practice. Practice exams are also available online. We designed this course with you in mind, utilizing the experience of Enrolled Agents, CPA's and former IRS employees. In addition to providing you with a solid foundation in tax knowledge, this course has the essential material you must know to pass the test. New regulations require all paid tax return preparers-other than certain exempt individuals-to register for a PTIN, pass a competency exam, and complete 15 hours of annual continuing education. These registered tax return preparers will need to follow the rules in Circular 230 but are not enrolled to practice before the IRS.

Designing the New American University will ignite a national discussion about the future evolution of the American research university.

The 7th International Conference of the Immersive Learning Research Network (ILRN 2021) will be an innovative and interactive virtual gathering for a strengthening global network of researchers and practitioners collaborating to develop the scientific, technical, and applied potential of immersive learning It is the premier scholarly event focusing on advances in the use of virtual reality (VR), augmented reality (AR), mixed reality (MR), and other extended reality (XR) technologies to support learners across the full span of learning from K 12 through higher education to work based, informal, and lifelong learning contexts Following the success of ILRN 2020, this year's conference will once again be based on the ILRN Virtual Campus, powered by VirBELA, but with a range of activities taking place on various other XR simulation, gaming, and other platforms The activities will be spread over a four week period in order to maximize participation opportunities across time zones

In Radical Traditions, author Andrew Clay McGraw shows how music kontemporer embodies the tensions between culture as represented and lived. Through a highly interdisciplinary approach this book presents an all-encompassing social and musical history of musik kontemporer.

Sonic Modernities analyses the interplay between the production of popular music, shifting ideas of the modern and, in its aftermath, processes of social differentiation in twentieth-century Southeast Asia.

This book discusses reforms that should be undertaken in secondary education to support Ethiopia's transition from a low- to middle-income economy. The most critical reform identified is the introduction of a flexible curriculum that serves the needs of all students, including those who may not pursue higher education.

Lists more than 80,000 rhyming words, including single, double, and triple rhymes, and offers information on rhyme schemes, meter, and poetic forms.
