The Real Reason We Believe What We Believe | Psychology Today

But we believe these crises are only the tip of the pandemic's iceberg. There is another crisis looming - a human crisis. Our past research on the human and social impact of natural disasters and periods of economic hardship has revealed a potential for increased incidences of mental illness, poorer educational outcomes, an increase in substance abuse and crime, and the weakening of the ...

Why We Believe What We Believe : Uncovering Our Biological Need for Meaning, Spirituality, and Truth

Why We Believe What We Believe : Dr Andrew Newberg ...

How have they come to believe them? And how does what they believe - or disbelieve - shape their lives and the meaning the world has for them? For Graham Ward, who is one of the most innovative writers on contemporary religion, these questions are more than just academic. They go to the heart not only of who but of what we are as human beings.
